Old Pictures Round Stanton

MP005

PICTURE FROM THE ARCHIVE

Folk who live in Stanton-upon-Hine-Heath may marvel at the thought that there was a time when this road through the village was so quiet that grass was growing on it. This is a Wilding's postcard which was franked on January 10, 1929. It is from the collection of Ray Farlow of Bridgnorth.

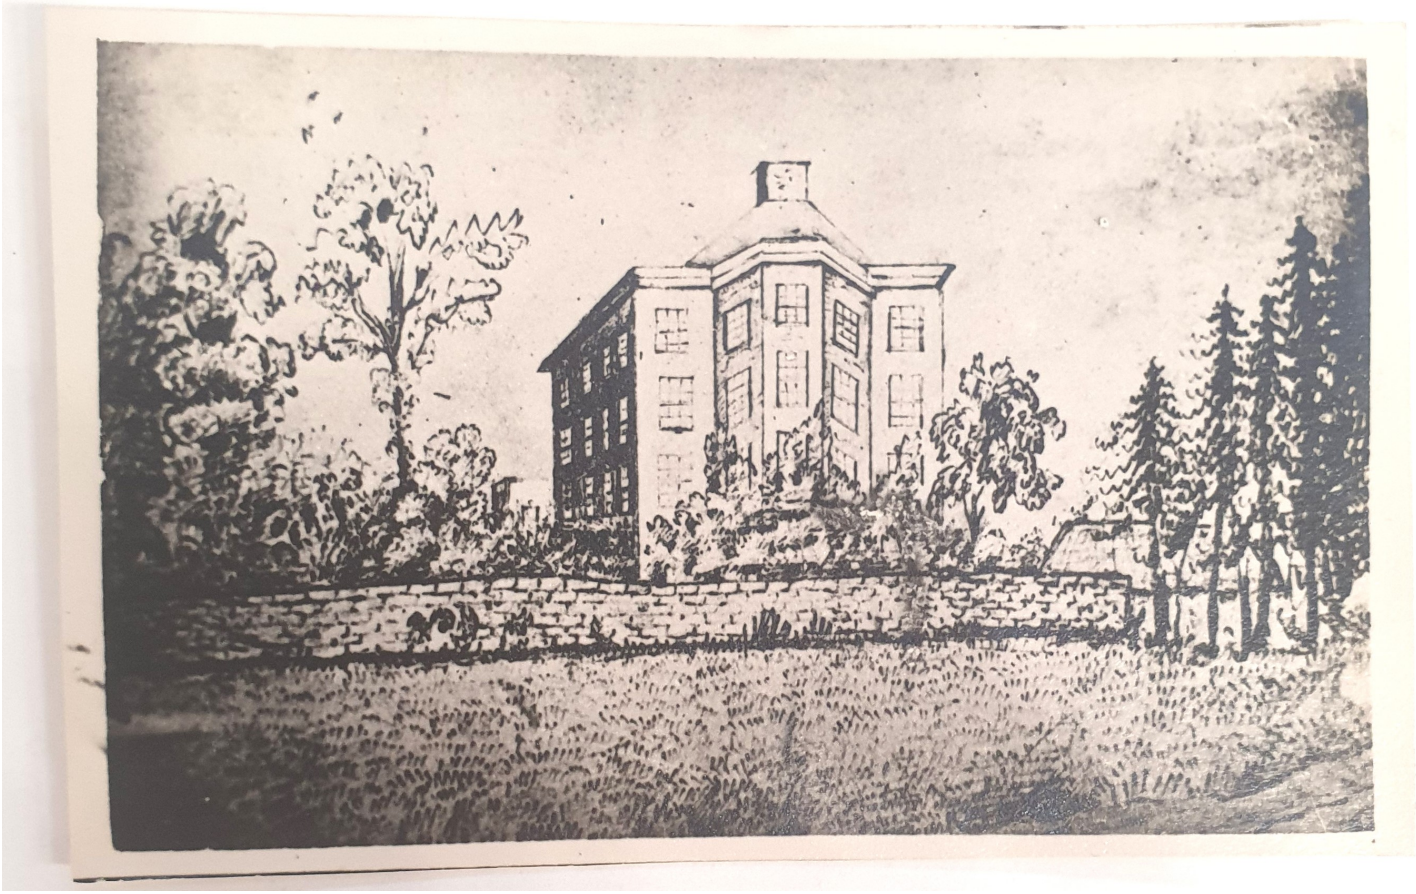

Snow drifts 1947

PICTURE FROM THE ARCHIVE

The picturesque Stanton Mill, Stanton-upon-Hine-Heath, in 1962. It must have been demolished not long after this picture was taken. Photo: S.R. Turner.
